

CONVERTING A PORTFOLIO PAGE TO PDF

You may be asked to submit your portfolio page as a pdf file. Follow these instructions to convert your page:

1. Open the relevant portfolio page in Google Chrome.
2. Make sure that any collapsible parts of the page are open (if you don't open them, their contents will not be displayed in your pdf file).

If a collapsible part of the page is open, it will have a downward pointing icon in its title:
